*Fiverr Enterprise provides a simple software solution for businesses to easily source, onboard, manage and pay their global freelance workforce, while ensuring legal, classification and tax compliance*

NEW YORK--(BUSINESS WIRE)-- Fiverr International Ltd. (NYSE: FVRR), the company that is revolutionizing how the world works together, is introducing Fiverr Enterprise, formerly Stoke Talent. This announcement comes as Stoke Talent is being integrated into Fiverr, and as the company continues to expand its solutions upmarket and aims to bring larger brands into the Fiverr suite of products as well as offer its existing customers additional capabilities. Fiverr Enterprise gives businesses complete control and offers a frictionless all-in-one solution to source, onboard, manage and pay their own freelance talent, while importantly simplifying budget tracking, tax, legal and workforce classification and compliance processes.

“Across the world, we are already seeing progressive companies integrate freelance talent into their workforces strategy to propel their growth,” said Micha Kaufman, Founder and CEO of Fiverr. “Fiverr Enterprise allows big businesses to quickly and simply engage with this integral part of their workforce, and to seamlessly incorporate freelance talent into their day-to-day workflows. This is a natural extension for Fiverr to be able to provide a centralized, and simple-to-use platform for companies to engage with their entire contingent workforce.”

Fiverr Enterprise will continue serving Stoke Talent’s wide range of customers including Amdocs, Similarweb, MinuteMedia and Waymo. Fiverr

Enterprise gives businesses the ability to build their own curated freelance workforce with both online and offline talent whether they come from Fiverr or not, risk-free by leveraging its legal, tax, and worker classification capabilities. It provides onboarding and management capabilities that are standardized across the organization along with complete visibility into the organization’s global freelance workforce.
