

Fiverr Introduces Vetted Freelance Tax Consultants and Experts for U.S. Businesses to Tackle Tax Season

March 7, 2024 1:00 PM EST

Businesses now have access to professional vetted tax services ranging from accounting, tax law, and financial consulting ahead of Tax Day

NEW YORK, March 07, 2024 (GLOBE NEWSWIRE) -- Fiverr International Ltd. (NYSE: FVRR), the company that is changing how the world works together, announced today the introduction of vetted freelance tax professionals for businesses navigating the complexities and headaches of tax season. The verified, hand-picked, and US-based freelance tax experts featured [here](#), include licensed CPAs, enrolled agents, financial consultants, and tax attorneys with years of experience helping businesses save and comply with federal, state, and foreign tax ordinances. US-based businesses, organizations, and start-up companies can be confident that they will all reap the benefits of personalized consulting services designed to address any tax issues of any scope or size.

"We're excited to offer another option to American businesses as they prepare for their tax deadline," said Yoav Hornung, Head of Verticals and Innovation at Fiverr. "Access to these vetted tax professionals will be yet another way that Fiverr helps ease complex processes for businesses. And, by choosing to go freelance instead of hiring tax companies – many of which are prone to error – businesses can instead enjoy the perks of dedicated white-glove tax preparation services created to guide them from start to finish."

The rollout is a natural extension of Fiverr's newest [consulting category](#) stemming from the company's latest [2024 Winter Product Release](#). With over 8,000 consultants offering over 90 services on the platform, Fiverr freelance consultants have served over 300,000 customers worldwide with personalized advice and effective solutions in 2023 alone. Businesses can now leverage Fiverr's freelance tax consultants alongside other industry services to get the experienced insights they need to meet their specific needs and goals.
